

## COUGAR ARRIVED IN BENELUX

COUGAR is the new retail brand for POWER SUPPLIES of HEC/Compucase. Started in 1979 HEC/Compucase is one of the few real manufacturers and developer of PSU.

COUGAR started in 2009 and already received worldwide recommendations. Now it is coming to BeNeLux.

COUGAR PSU's are known for the high-quality inside but also for their unique design – it's ORANGE!

From 80PLUS BRONZE to 80PLUS GOLD, from 300W to 1.200W, for every situation the perfect PSU.

The COUGAR website offers also a large FAQ about PSU's in general and gives you a short introduction about the production process.

COUGAR is available at:

Komplett  
Alternate  
Informatique  
Afuture  
Freezing Hardware
